## **T-7A Recapitalization at Sheppard Air Force Base (AFB) Environmental Impact Statement (EIS) Open House**

**What:** Air Force Public Scoping Meetings

The Department of the Air Force (DAF) proposes to recapitalize the T-38C Talon flight training program at Sheppard AFB with T-7A Red Hawk aircraft. This proposal supports the Secretary of the Air Force's strategic basing decisions to recapitalize existing T-38C pilot training installations, and Sheppard AFB would be the fifth installation to be analyzed for possible recapitalization.

**When and Where:** July 30<sup>th</sup> and 31<sup>st</sup> from 4:00 to 7:00 p.m.

Public scoping meetings will be held in Cannedy Hall at the Wichita Falls Museum of Art at Midwestern State University (MSU) located on Eureka Circle on the MSU Campus, Wichita Falls, TX. Meetings will be an open-house style with poster stations and the public is invited to drop in at their convenience anytime during the listed dates and times.

Hardcopies of the scoping materials are also available for review at the Wichita Falls Public Library (600 11th Street, Wichita Falls, Texas). Scoping materials may also be viewed or downloaded from the project website posted below.
